TRANSFER AGREEMENT

This Transfer Agreement establishes the terms and conditions for _____ (“student”) to attend the Rocksprings ISD public schools (“district”) as a transfer student for the _____ school year. Student is a resident of the _____ ISD school district. Student’s parent or guardian, _____ (“parent”), requests that the student be permitted to attend district schools in the _____ school year and agrees to the following terms and conditions for that transfer:

1. This transfer is effective for the current school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year.
2. This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
3. Student must maintain acceptable levels of attendance, academic achievement, and compliance with the Student Code of Conduct throughout the entire school year. Acceptable levels are defined as:
 - a. attendance that does not place the student at risk of losing credit under Education Code 25.092 or require the district to warn the parent or the student of truancy proceedings under Education Code 25.095;
 - b. academic achievement that results in a passing grade in all courses by the end of the semester. At the end of each grading period, the student should receive no more than one grade that is below passing; and
 - c. compliance with the Student Code of Conduct that results in no offenses requiring removal to an Alternative Education Program or expulsion and no more than two referrals each grading period for other Code of Conduct infractions.
4. If Student withdraws from Rocksprings ISD prior to the end of the current school year, Student may or may not be considered for readmission, depending on the reasons for withdrawal.
5. Parent(s) and student(s) must comply with and observe all District policies and reasonable District and campus procedures and requirements.

6. The Board will establish annually the amount of tuition, if any, required of transfer students who reside in another school district. Tuition must be paid in advance of each semester or according to the payment schedule in the Transfer Agreement. If tuition is not received by the due date, the Superintendent may revoke the transfer. If it is necessary for the Superintendent to revoke a transfer for any reason, the District will refund a pro-rated portion of tuition paid in advance.
7. If the Transfer Committee determines that Student/Parent(s) willfully committed any form of deception against Rocksprings ISD, transfer enrollment status may be revoked, and the Student will be permanently barred from applying for transfer admission into the district.
8. The district and the parent agree that this Transfer Agreement is the entire agreement controlling the admission and enrollment of the student in the district for the _____ school year.

I acknowledge that I have read, understand, and agree to the above Transfer Agreement terms.
